

Certification in Production and Inventory Management (CPIM)

APICS CPIM:

Effective in 2018, to obtain the APICS CPIM certification a candidate must pass two examinations as follows:

1. CPIM – Part 1
2. CPIM - Part 2

The conversion from the 5 exam program to the 2 exam program is:

The CPIM curriculum covers the key concepts of production and inventory management within a manufacturing operation. This curriculum takes a "deep dive" into the planning and control elements of a typical Enterprise Resource Planning (ERP) system
